Bokaro Steel City.

22nd December 2017.

Subject: - Installation of at least 4 Water Vending Machines in Bokaro Steel City College, Bokaro.

Sir,

Bokaro Steel City College is a constituent College of Vinoba Bhave University Hazaribag (Now under Binod Bihari Mahto Kolyanchal University Dhanbad) and is located in Sector VI Bokaro Steel City. The college has around 4610 students studying in Undergraduate, Post Graduate level, B.Ed. and other Vocational courses like Bio-tech. Approximately 70% percentage of the students belong to the Low Income Group and many come from far flung village areas. Bokaro Steel City College is also an examination center for students belonging to different colleges. State and National level examinations are also held in the college on Sundays and during holidays in which thousands of students appear and face dearth of clean drinking water. Bokaro Steel City College does not have proper drinking water facility due to which students do not get clean drinking water. There are 04 (four) water coolers in the college but they do not have any filter to purify the water. Hence the requirement for water vending machines for the students.

The installation of at least four (4) numbers of Drinking Water Purifying systems by you under your CSR scheme will be beneficial to the students of Bokaro Steel City College.

Therefore I would like you to kindly consider our request at the earliest.

Thanking you.

Subject: - **Regarding Installation of Water Purifiers in Bokaro Steel City College.**

Sir,

With reference to the letter no. BSCC/G-2045/17 Date – 21/12/2017, on behalf of the students of Bokaro Steel City College, the Principal and the entire team of the College would like to thank you for your kind gesture in installing 02 water purifiers cum coolers under your CSR scheme for the benefit of the students.

Looking at the weather conditions we also hope and request that you install the remaining two water purifiers in the College as soon as possible.

Thanking you

Yours' faithfully
