Subject: Request for Installation of Solar Panels and Solar Lights in the College
Campus under CSR Scheme.

Sir,

Bokaro Steel City College is the only constituent college of Binod Bihari Mahto Koylanchal University, Dhanbad in the City. The college has secured 'B' Grade in NAAC Accreditation in the year 2016. The total strength of the students in the college is 4046 (Four Thousand Forty Six) among which almost 2400 (Twenty Four Hundred) students belong to the underprivileged and weaker sections of the society. The students of Bokaro Steel City College come from far flung areas and surrounding villages. Frequent power cuts during the day hamper the day to day functioning of the College. Students face lot of difficulties while attending classes due to lack of electricity. During peak summer season there have been cases where students have fainted because fans were not working due to power shortage and the generator was also out of order. Practical classes are also hindered due to regular power cuts. Moreover, in the absence of lights along the pathways the College remains completely in the dark during the night.

Bokaro Steel City College also boasts of a Boys Hostel for SC/ST Students and a Girls Hostel within the college campus. During the night due to frequent power cuts, the hostels become unsafe for both boys and girls. Keeping in mind the above facts Bokaro Steel City College would like to request you to install solar lights and solar panels inside the college campus along the pathways, Administrative Building, Library and Science Block under your CSR Scheme.

Therefore, you are requested to kindly provide solar lights and solar panels in the College under your CSR Scheme for the benefit of the students of the weaker sections of the society.

Thanking you in anticipation.

Subject: Regarding installation of solar lights and solar panels and a water filter cum cooler machine in the ST/SC Boys Hostel.

Sir,

Bokaro Steel City College is the only constituent college of Binod Bihari Mahto Koyanchal University, Dhanbad, in Bokaro Steel City. The college has secured 'B' Grade in NAAC Accreditation in the year 2016. The total strength of the students in the college is 4046 (Four Thousand Forty Six) out of which almost 2400 (Twenty Four Hundred) students belong to the underprivileged and weaker sections of the society. The students of Bokaro Steel City College come from far flung- areas and surrounding villages. The male students who come from far-flung areas can avail the facility of the SC/ST boys' hostel which is situated inside the college campus. At present around 48 students (boys) are staying in the hostel. The boys are facing electricity problems due to frequent power cuts. The hostel does not even have proper drinking water.

The students staying at the boys' hostel had highlighted their problems and sent a letter in this regard to the District Welfare Officer. But there was no action taken from the District Welfare Office. A copy of the letter has been attached along with this letter for your perusal.

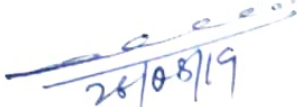

Keeping in mind the demands put forward by the students, Bokaro Steel City College would like to request you to kindly help the college with regards to the following:

- 1) Installation of solar lights along the pathway leading from the college to the hostel and solar panels in the SC/ST boys' hostel building.
- 2) One water filter cum cooler machine for pure drinking water.
- 3) Construction of a proper approach road from science block to the college hostel.

The students would be highly obliged if you could fulfill their demands under your SC/ST funding scheme.

Thanking you.

Subject: **Regarding installation of Water Purifiers cum Coolers (02) in Bokaro Steel City College's SC/ST Boys Hostel and the Library.**

Sir,

With reference to the letter no BSCC/G-2045/17, dated: 21/12/2017, two(2) water purifiers cum coolers were installed in Bokaro Steel City College. The college had requested for 4(four) water purifiers cum coolers. The students would like to request you to kindly install 2 more water purifiers cum coolers - one in the SC/ST Boys Hostel and another in the Library.

Bokaro Steel City College is the only constituent college of Binod Bihari Mahto Koylanchal University, Dhanbad, in Bokaro Steel City. The college has secured 'B' Grade in NAAC Accreditation in the year 2016. The total strength of the students in the college is 4046 (Four Thousand Forty Six) in which almost 2400 (Twenty Four Hundred) students belong to the underprivileged and weaker sections of the society. The male students who come from far-flung areas can avail the facility of the SC/ST boys hostel which is situated inside the college campus. At present around 48 students (boys) are staying in the hostel. The boys staying at the hostel do not have proper drinking water.

The students staying at the boys hostel had highlighted their problems and sent a letter (Ref.No: BSCC/G-760/19, Dated: 29.06.19) in this regard to the District Welfare Officer through the Principal, Bokaro Steel City College. But there was no action taken. A copy of the letter has been attached along with this letter for your perusal (Kindly refer to point number 5).

Bokaro Steel City College would like to request you to kindly help the college by installing a water purifier cum cooler machine in the SC/ST boys hostel under your CSR scheme as the boys do not have proper filtered water for drinking as mentioned earlier. You are also requested to install one water purifier in the Library for the benefit of the students.

Thank you.
